

January 2010

As the telecommunications relay service provider for the state of Maryland, Hamilton Relay acknowledges that opportunities for higher education affect the future of Maryland, including Marylanders who are deaf, hard of hearing or speech disabled.

We are pleased to extend a scholarship opportunity to your students to assist in their upcoming college or higher learning endeavors. This is the first Hamilton Relay Scholarship and we are excited to offer this financial assistance opportunity to your students. One Maryland student will be chosen as a recipient of this scholarship.

We need your assistance! Can you please share the attached scholarship application and information with your eligible students? Hamilton takes pride in promoting outstanding leadership among members of the Deaf and Hard of Hearing Communities across the country and we would like to help make a difference for a deserving student from Maryland.

Note that the scholarship deadline is March 31, 2010, so please be sure that applicants postmark their submission by this deadline. The scholarship amount is \$500 and will be awarded on or before April 30, 2010.

If you have any questions about Hamilton Relay or the Hamilton Relay Scholarship Program, please contact me directly. My contact information is listed below.

Hamilton Relay looks forward to giving back to the community by assisting an outstanding student who is deaf, hard of hearing or speech disabled from Maryland during this 2009/10 school year.

Thank you for participating in the excitement!

Sincerely,
